Free car-hire with your holiday

Included in the price of your accommodation is the hire of one inclusive 4-door car with air-conditioning which you collect from and return to the airport. If you intend to arrive prior to, or stay longer than the inclusive rental period, then you can extend the rental in advance. Additional days are pro-rata for the car required. For rentals of 5/6 days the weekly rate is charged. If no car is required then a £50 discount applies at the time of booking only. Whatever size of car you choose, our constant renewal policy assures the quality and safety of your vehicle.

Upgrading your free car and additional cars

If you are travelling with a large group then you may wish to upgrade the inclusive hire car and/or hire additional vehicles. We have teamed up with our local suppliers to give you some great savings on additional cars and special rates for upgrades which can be found in the price grids below.
